DEPARTMENTS

ENGLISH

The English Department is proud to offer a variety of courses to its students. The courses are designed to provide a solid foundation in the English language and to develop the students' writing and communication skills. The courses are taught by experienced teachers who are dedicated to providing a high-quality education to their students.

SOCIAL STUDIES

The social studies program at Copperdome is designed to provide students with a comprehensive understanding of the world around them. Through a combination of classroom instruction, field trips, and hands-on activities, students learn about the history, geography, and culture of various regions. The program emphasizes critical thinking and problem-solving skills, encouraging students to analyze information and make informed decisions. The social studies curriculum is integrated with other subjects, providing a well-rounded education for all students.

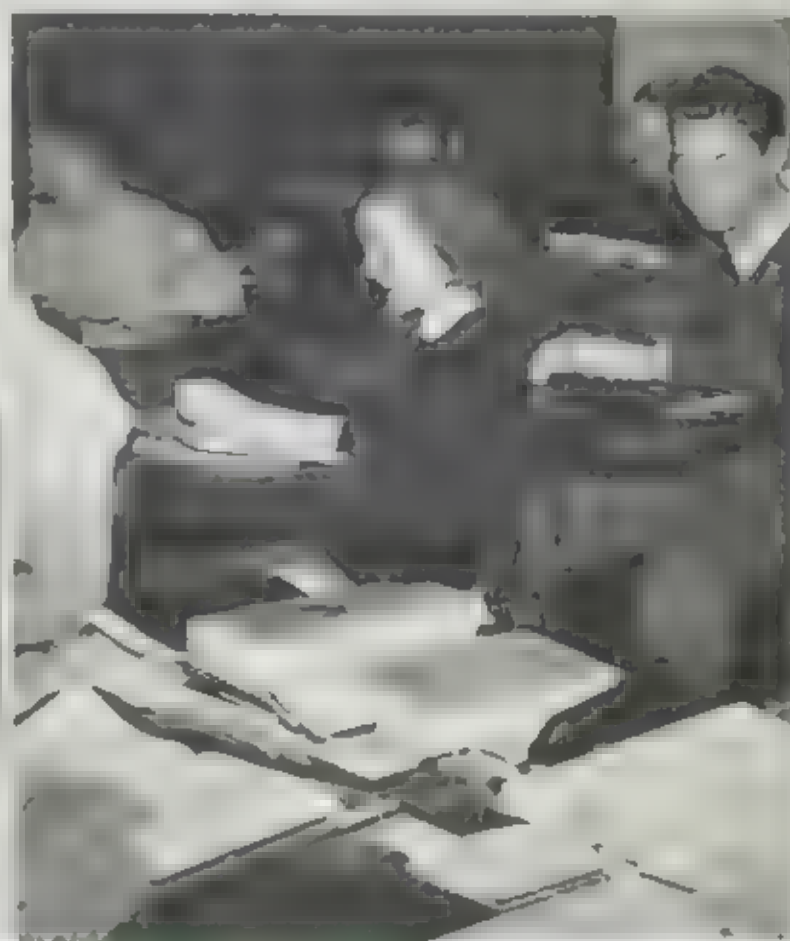

DEPARTMENTS

LANGUAGE

The Language Department is one of the most important in the school. It is the foundation for all other studies. The students learn to read, write, and speak. They also learn to think and to express their ideas. The Language Department is the heart of the school. It is the place where the students learn to become citizens. It is the place where they learn to love their country and their fellow men. It is the place where they learn to be good and to be happy.

in the season's opener a keyed up youth squad romped over White Bay in the annual Glory battle. The highlight of the game was the brilliant performance of Bill Smith, who scored two touchdowns. The Red Raiders from Wauwatosa provided the opposition for the Red and Grey in their next test, in which the Greyhounds came from behind to gain a thrilling 14 to 13 victory. The magic toe of Bob Smith proved the margin of victory. With two conference tussles behind them the gridmen encountered a strong Division team in a non-conference game. East held a 7 to 0 lead until the final quarter when Bob Horwath caught a long pass for a touchdown however the Greyhounds missed the extra point and the game ended a few minutes later with the score standing at 7 to 6 in East's favor. Returning to conference competition, the Ketelaar squad defeated the Greyhounds by a score of 14 to 12. The underdog Hale eleven pulled the game out of the fire when they reached the Greyhound nine at the goal attempt by the Hale eleven seconds was blocked and the Greyhounds emerged as victors. With three consecutive victories the Greyhounds travelled to Milwaukee where the Red and Grey defeated them by a decisive 20 to 12.

The quad next faced a strong West Central team, which featured the outstanding play of all state halfback Art Lasker. The outstanding play of Lasker and his running mate, Nick Kravitz, proved to be too much for the Greyhounds and they met their first defeat by a score of 20 to 7. The Greyhounds then returned home to defeat the defending champion South Milwaukee Rockets in the homecoming game. The Milwaukee led for three quarters by a 6 to 0 margin, but in the final period, the game blew wide open

and a total of 32 points were scored by the two teams. The scoreboard showed a 19 to 19 tie when the final gun sounded after the wily Greyhounds had scored two touchdowns on the little used sleeper play. Following this spine-tingling contest the Red and Grey suffered a letdown and played their poorest game of the year in losing to Cudahy by a 33 to 6 score. In the season's finale the Greyhounds reached their peak in defeating the strong Waukesha Blackshirts by a 6 to 0 score thus knocking the Blackshirts out of a possible title tie.

At the season's close Coach Ketelaar awarded letters to eight seniors, twelve juniors and one sophomore while Bob Horwath and Sherry Temkin were elected co-captains by their teammates. For his outstanding play Bob Horwath was elected to the all conference squad while Bill Smith garnered a spot on the second eleven.

The squad was plagued by injuries for a great part of the season. The Dave Isola, veteran goalie, during the early part of the campaign might have proven disastrous but Bob Miller stepped in to do a great job. Other Greyhound players injured were Brad Van Deventer and Ben Belknap.

The highlights of the individual standpoint were the record-breaking scoring of Tom Krueger, who amassed a total of thirty goals during the season. Other high scorers were Jim Krueger and Joe Baer. Outstanding all around men were Dick Pfeil, Ray Erickson, and Elwood Modrow.

Letters were awarded to Dick Weeks, Dave Isola, Ray Erickson, Hank Gefke, Karl Krasney, Belknap, Joe Baer, Bob Miller, Pfeil, Tom Krueger, and Brad Van Deventer.

TRACK

The track team was a well rounded squad that was brought to its peak under the expert tutelage of Coach Louis Erickson and assistant coaches, Fred Schaefer and Richard Schaefer. The squad in the high jumpers Jerry Brandtjen who hit six feet two inches and Ray Erickson, who hovered around the six foot mark. Shel Brandtjen and Hugo Wandt handled the long jump event, while Phil Blank and Don Tomasini represented the school in the pole vault. In the hurdle events Phil Blank, Don Bailey, Dick Curtis and Barry Trader garnered many valuable points. Sprinters Shel Brandtjen, Dick Leslie and Hugo Wandt were outstanding in the 100 and 200 yard dashes and Brandtjen, Marshall Melgard and Willard Holz capably handled the 440 yard run. Jim Hacker, Fred Schaefer, Maurice Voland, Walter Brandis and Bill Gaedke were the distance men who handled the half-mile and mile events. The highlights of the season were the outstanding performances of Brandtjen, Ray Erickson, Schaefer and Hugo Wandt.

BASEBALL

Under the direction of Coaches Rinka and Delaney the baseball team played a tough eleven game schedule. The hard ballers played the strong teams of Lutheran, South Division, St. Johns, Messmer M. U. S. and Pius

Over a hundred boys reported for the first practice and after several weeks of training the coaching staff selected fifteen boys to represent Shorewood on the baseball diamond. Several newcomers to the squad developed rapidly and a crop of eight returning letter men, who provided the experience, combined to make this year's squad a formidable one.

The pitching staff was manned by lettermen hurlers Don Renniecke, Herb Ruehl and Tom Krueger while Bob Smith handled the catching duties. Lettermen Bill Smith, Marv Stabelfeldt, Tom Lafley, and Les Wichman formed the infield that gave the squad a tight inner defense and supplied a strong batting attack. In the outfield newcomer Bob Horwath teamed with Jim Krueger and Dick Weeks to give the horsehiders a strong flychasing contingent.

Coach Ole Gunderson was forced to start this year's team around newcomers due to the fact that only one letterman, John Kurtz, returned from last year's team. Although the prospects were dim at first, the squad developed and most of the members in the experience and competitive play will provide a strong squad next year.

In the dual meets the Crimson met the teams of Wauwatosa, South Milwaukee, Washington, and the season reached it's peak at the Hartford Invitational and the state meets.

Leading shooting of John Kurtz earned one of the best golfers in the highlight of the year. Bill Banerdt were other players. Chuck McGlynn, Jim Hobbs, and the balance need a strong squad.

1. The first step in the process is to identify the problem. This involves gathering information about the situation and understanding the needs of the stakeholders involved. Once the problem is identified, the next step is to develop a plan of action. This plan should outline the goals of the project, the resources needed, and the timeline for completion. The third step is to implement the plan. This involves putting the plan into action and monitoring progress. Finally, the fourth step is to evaluate the results. This involves assessing the outcomes of the project and determining whether the goals were achieved.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

2. Next, gather relevant information and data. This may involve research, consultation with experts, or collecting data from various sources.

3. Once the information is gathered, analyze it to identify patterns, trends, and key factors that influence the outcome.

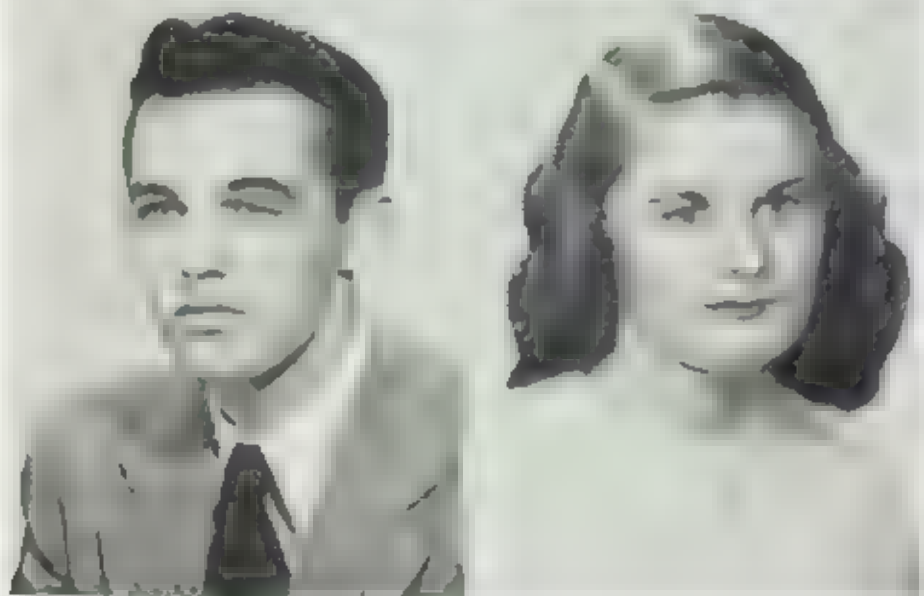

4. Based on the analysis, develop a plan or strategy to address the problem. This plan should outline the steps to be taken and the resources required.

5. Implement the plan and monitor the progress. It is important to track the results and make adjustments as needed to ensure the goal is achieved.

6. Finally, evaluate the outcome and draw conclusions. This involves comparing the results against the initial objectives and identifying any lessons learned for future reference.

1. The first step in the process of identifying a problem is to define the problem. This involves identifying the symptoms of the problem and determining the scope of the problem. Once the problem has been defined, the next step is to identify the causes of the problem. This involves identifying the factors that are contributing to the problem and determining the underlying causes. Once the causes have been identified, the next step is to develop a plan to address the problem. This involves identifying the actions that need to be taken to address the problem and determining the resources that will be needed to implement the plan. Finally, the last step is to implement the plan and monitor the results. This involves putting the plan into action and tracking the progress of the plan to ensure that the problem is being addressed effectively.
